INTRODUCTION

The timetable booklets are published at least twice a year, and the cover of each edition shows a different color for easy identification. We try to keep the information in this booklet as up-to-date as possible, but schedule, fare, and other information in this booklet is subject to change before the next edition.

Muni Information — for information you don't find in the timetable book, call Muni's Telephone Information Center — 415/673-MUNI. With a Touch Tone phone, you can call 415/923-6336 after the Center's hours, and Muni's TalkTable computer information system will provide you with the time a vehicle on any one of Muni's lines is scheduled to leave a timepoint listed in its schedule.

TDD for the hearing impaired, 415/923-6366 (weekdays: 9 a.m. - 5 p.m.)

SERVICE NOTES

Weekday schedules — the following symbols refer to school-day and non-school-day service:

S - service operates only on school days.

N - service operates only on non-school days.

Sunday schedules are also operated on —

New Year's Day	Labor Day
Memorial Day	Thanksgiving Day
The 4th of July	Christmas Day

For all schedules — times in light-face type are A.M. times, times in **bold-face type** are P.M. times.

making fewer stops and providing quicker service. Look for

making fewer stops and providing quicker service. Look for an "L" in the left column of the timetable.

"Express" coaches make stops in their areas of origin and then run non-stop to their destinations. Express services run only on weekdays, and except for the 9X San Bruno Express, only during morning and afternoon rush hours in the rush hour direction. Look for an "X" in the left column.

"A" and "B" Expresses — Many of the express lines are divided into "A" and "B" sections. On weekday mornings, the A and B expresses make stops in their own sections and then travel non-stop to downtown, where they make the same stops. In the afternoon, they make the return trip from downtown to their respective areas. Look for an "A" or "B" in the left column.

"Timed-Transfer Connection" — Certain evening and early morning connections, where indicated, are scheduled with a time overlap to assure that passengers can easily transfer from one line to another. For example, 43- and 44-line service is scheduled to overlap at Forest Hill Station in the evening and early morning hours.

They are valid for 90 minutes to two hours for two boardings in any direction. Cable car fares are one way fares — transfers are neither issued nor accepted for cable car service. Muni **tokens** are sold for 80¢ each in rolls of ten, twenty, and forty.

Seniors (age 65+), youths (age 5-17), and children (under age 5) may be asked for proof of age. Acceptable documents are a birth certificate, driver's license, or State of California Identification Card. The document must show the person's date of birth. For seniors, a Muni Senior Citizen Identification Card is available — phone 626-1033 for information.

Persons on the platforms of the outdoor Muni Metro stations at S.F. State and Stonestown must have proof of fare payment — a Muni ticket, pass, transfer, or token. Persons who do not have proof of payment are subject to a fine under state law.

A **Regional Transit Connection Discount Card**, allowing persons to be eligible for Muni's discount fare, is available for disabled persons with a doctor's certificate, for qualified veterans, and for holders of a valid Medicare card or California Department of Motor Vehicle Placard Identification Card. A **red dot** in the center of the discount card allows an attendant to ride for the discount fare. (More than one attendant may ride for the discount fare if those persons are accompanying a group of disabled persons whose discount →

cards have the red dot.) For more information on the discount card program, call 923-6070. For information on accessible services, see page 3.

Youth	$3.00

The fare for all of the above categories is $2 with a valid Muni pass. These special-event fares are round-trip fares — there are no one-way fares. Transfers, tickets, and tokens are not valid on buses to the ballpark, but the ballpark service fare-receipt is good for transferring from ballpark service to other Muni service, excepting the cable cars, after the game.

For more information on service to Candlestick Park, see page 3 under Other Muni Services.

Animals on Muni

Any number of helper dogs for the disabled may ride free at any time. These helper dogs do not have to be muzzled, but must be on a leash. It is recommended that the helper dog's picture be shown with its owner's in the photo on the Regional Transit Connection Discount Card.

Persons boarding with an animal that is not a helper dog for the disabled must pay the same fare for the animal that they do for themselves. These animals are allowed to ride on Muni vehicles from 9 a.m. to 3 p.m. and from 7 p.m. to 5 a.m. on weekdays, and all day on Saturdays, Sundays, and holidays. Only one of these animals may ride per vehicle. Dogs must be muzzled and on a short leash or in a closed container, and other animals must be carried in closed containers.

"Carry On" Items

Muni operators may refuse to allow articles on board that could create a nuisance or cause harm. Food in open containers or poorly protected containers (such as coffee or soft drinks in paper or styrofoam containers, whether covered or not) may not be allowed on board.

Bicycles are allowed on the buses that serve the 76 Marin Headlands line. There are racks on the front of the buses that allow two bikes to be carried on each bus. Plans are under way for a pilot project to allow bikes to be carried on other Muni buses, but as of the publication date of this booklet, bikes are only allowed on the 76 line.

Other large objects may be allowed on at the discretion of the operator, but aisles and doorways must be kept clear at all times. If a baby stroller is allowed on board, the child must be removed from the stroller and the stroller folded up while it is on the vehicle.

Additional Stops in the Evening

Between 8:30 p.m. and 6:30 a.m., additional passenger stops will be made either for boarding passengers, or for passengers on a transit vehicle at their request, at the nearside of any street intersection located between the regular stops. However, this rule does not apply to the following streets, where stops will be made only at the regularly designated stops at all times: Market St., east of Castro St.; Van Ness Ave.; Columbus Ave.; Ocean Ave.; and the north side of Lincoln Way, from 11th Ave. to 35th Ave., and at 46th Avenue.

Did you see an incident you wish to report? Notify the operator if it is safe to do so. Otherwise, call Muni's Passenger Service Department at 923-6164 or the Muni Crime Hotline at 553-9290. Please get as much information as possible, including the number or letter of the Muni line, the four-digit number on the vehicle (cable car numbers have one or two digits), the location, the direction of travel, and the time of day.

The timetable booklets are usually published at least twice a year, and the cover of each edition will have a different color for easy identification. We try to keep the information in this booklet as up-to-date as possible, but schedule, fare, and other information in this booklet is subject to change before the next edition.

SERVICE NOTES

Weekday schedules — the following symbols refer to school-day and non-school-day service:

S - service operates only on school days.

N - service operates only on non-school days.

Sunday schedules are also operated on —

New Year's Day	Labor Day
Memorial Day	Thanksgiving Day
The 4th of July	Christmas Day

Note that the 76 Marin Headlands line runs on holidays that have Muni Sunday schedules.

Service on other holidays — Call Muni's Telephone Information Center at 415/673-6864 for the Muni service on other holidays, including Martin Luther King Jr.'s Birthday, Presidents' Day, Columbus Day, and Veterans' Day. Note that Muni provides regular weekday service on the day after Thanksgiving Day.

For all schedules — times in light-face type are A.M. times, times in **bold-face type** are P.M. times.

"Limited" coaches operate on the 14, 28, 38, and 71 lines, making fewer stops and providing quicker service. Look for an "L" in the left column of the timetable.

"Express" coaches make stops in their areas of origin and then run non-stop to their destinations. Express services run only on weekdays, and except for the 9X San Bruno Express, only during morning and afternoon rush hours in the rush hour direction. Look for an "X" in the left column.

"A" and "B" Expresses — Many of the express lines are divided into "A" and "B" sections. On weekday mornings, the A and B expresses make stops in their own sections and then travel non-stop to downtown, where they make the same stops. In the afternoon, they make the return trip from downtown to their respective areas. Look for an "A" or "B" in the left column.

"Timed-Transfer Connection" — Certain evening and early morning connections, where indicated, are scheduled with a time overlap to assure that passengers can easily transfer from one line to another. For example, 43- and 44-line service is scheduled to overlap at Forest Hill Station in the evening and early morning hours.

Animals on Muni

Any number of working dogs (guide dogs, signal dogs, or service dogs) for the disabled may ride free at any time. These working dogs for the disabled do not have to be muzzled, but must be on a leash. It is recommended that the working dog's picture be shown with its owner's in the photo on the Regional Transit Connection Discount Card.

Persons boarding with an animal that is not a working dog for the disabled must pay the same fare for the animal that they do for themselves. These animals are allowed to ride on Muni vehicles from 9 a.m. to 3 p.m. and from 7 p.m. to 5 a.m. on weekdays, and all day on Saturdays, Sundays, and holidays. Only one of these animals may ride per vehicle. Dogs must be muzzled and on a short leash or in a closed container, and other animals must be carried in closed containers.

Bicycles on Muni

Thanks to a grant from the Bay Area Air Quality Management District's Transportation Fund for Clean Air, Muni has a pilot project to test the use of bike racks on the 30-foot buses that operate on Muni's community service lines. There are racks on the front of the buses that allow two bikes to be carried on each bus.

The Bikes on Muni pilot project lines are as follows: 17 Parkmerced, 35 Eureka, 36 Teresita, 37 Corbett, 39 Coit, 53 Southern Heights, 56 Rutland. 66 Quintara, 91 Owl. Although not a part of the pilot project, there are also bike racks on the buses that serve the 76 Marin Headlands and 108 Treasure Island lines. Please note that Muni operators will allow bicyclists to take bikes on any bike-rack equipped bus, whether or not that bus is in service on the pilot project lines or the 76 or 108 lines.

For further information on the Bikes on Muni program, call Muni's Telephone Information Center at 415/673-6864. For further information on bicycling in San Francisco, call the Department of Parking and Traffic's Bicycle Hotline at 415/585-BIKE and the San Francisco Bicycle Coalition at 415/431-BIKE.

"Carry On" Items

Muni operators may refuse to allow articles on board that could create a nuisance or cause harm. Food in open containers or poorly protected containers (such as coffee or soft drinks in paper or styrofoam containers, whether covered or not) may not be allowed on board.

Other large objects may be allowed on at the discretion of the operator, but aisles and doorways must be kept clear at all times. If a baby stroller is allowed on board, the child must be

removed from the stroller and the stroller folded up while it is on the vehicle.

Additional Stops in the Evening

Between 8:30 p.m. and 6:30 a.m., additional passenger stops will be made either for boarding passengers, or for passengers on a transit vehicle at their request, at the nearside of any street intersection located between the regular stops. However, this rule does not apply to the following streets, where stops will be made only at the regularly designated stops at all times: Market St., east of Castro St.; Van Ness Ave.; Columbus Ave.; Ocean Ave.; and the north side of Lincoln Way, from 11th Ave. to 35th Ave., and at 46th Avenue.

Reporting Crime on Muni

Did you see an incident you wish to report? Notify the operator if it is safe to do so. Otherwise, call Muni's Passenger Service Department at 923-6164 or the Muni Crime Hotline at 553-9290. Please get as much information as possible, including the number or letter of the Muni line, the four-digit number on the vehicle (cable car numbers have one or two digits), the location, the direction of travel, and the time of day.

PCC STREETCARS IN F-LINE SERVICE

PCC cars were originally designed under the direction of the Electric Railway Presidents' Conference Committee, in an attempt by 25 U.S. and Canadian transit companies to put an improved streetcar into service. The first of the quiet and economical cars was put into service in New York City in October 1936, and Muni's first PCC cars arrived in August 1948. Nos. 1007-1015 were originally built for Muni in 1948, and Nos. 1050-1063 were originally built for Philadelphia in 1946. (Note that Muni has other PCC cars that are not in regular F-line service.)

Car No.	Transit Agency Colors
1007	Philadelphia Suburban Transportation Co.
1010	Muni
1015	Illinois Terminal Railroad (St. Louis)

INTRODUCTION

The timetable booklets are usually published at least twice a year, and the cover of each edition will have a different color for easy identification. We try to keep the information in this booklet as up-to-date as possible, but schedule, fare, and other information in this booklet is subject to change before the next edition.

Muni Information — for information you don't find in the timetable booklet, call Muni's Telephone Information Center — 415/673-MUNI. With a Touch Tone phone, you can call 415/923-6336 after the Center's hours, and Muni's **TalkTable** computer information system will provide you with the time a vehicle on any one of Muni's lines is scheduled to leave a timepoint listed in its schedule.

SERVICE CHANGES

E Embarcadero — The E Embarcadero line is providing Metro streetcar service on the Muni Metro Extension, from the Embarcadero Station, on The Embarcadero and King Street to a station at 4th & King Streets, at the Caltrain depot. The Muni Metro Extension also has stations (high-level platform stops) on The Embarcadero at Folsom and Brannan, and on King at 2nd Street. (There are plans to replace the E line with N Judah service on the Muni Metro Extension within the next few months.) The E line is a Proof of Payment line. For further information on Proof of Payment, see page 3.

M Ocean View — The M Ocean View Metro streetcar line has been temporarily cut back to San Francisco State University because of rail replacement work between 19th Avenue and San Jose Avenue. A bus shuttle is providing M-line service between S.F. State and the Balboa Park BART Station until the track work is completed.

Metro Subway Stations' Hours of Service — Because of continuing work on the Advanced Train Control System in the subway, the subway stations' hours of service have been modified as follows: the stations are open on weekdays from 5 a.m. to midnight, on Saturdays from 8 a.m. to midnight, and on Sundays from 8 a.m. to 8 p.m.

15 Third Street — Southbound service on the 15 Third Street line has been rerouted from Bush, 1st, and Howard Streets to Sansome, Market, and 2nd Streets, with new stops on Sansome at Sutter and on 2nd just south of Market.

32 Embarcadero — Because of the opening of the E Embarcadero line, the 32 line no longer serves the Caltrain Depot. It now operates between Fisherman's Wharf and Folsom Street at The Embarcadero.

Schedule Changes — timetables for the following lines have changed since the last edition of the booklet:

SERVICE NOTES

Weekday schedules — the following symbols refer to school-day and non-school-day service:

S - service operates only on school days.

N - service operates only on non-school days.

Sunday schedules are also operated on —

New Year's Day	Labor Day
Memorial Day	Thanksgiving Day
The 4th of July	Christmas Day

Note that the 76 Marin Headlands line runs on holidays that have Muni Sunday schedules.

Service on other holidays — Call Muni's Telephone Information Center at 415/673-6864 for the Muni service on other holidays, including Martin Luther King Jr.'s Birthday, Presidents' Day, Columbus Day, and Veterans' Day. Note that Muni provides regular weekday service on the day after Thanksgiving Day.

For all schedules — times in this booklet in light-face type are A.M. times, times in **bold-face type** are P.M. times.

"Limited" coaches operate on the 14, 28, 38, and 71 lines, making fewer stops and providing quicker service. Look for an "L" in the left column of the timetable.

"Express" coaches make stops in their areas of origin and then run non-stop to their destinations. Express services run only on weekdays, and except for the 9X San Bruno Express, only during morning and afternoon rush hours in the rush hour direction. Look for an "X" in the left column.

"A" and "B" Expresses — Many of the express lines are divided into "A" and "B" sections. On weekday mornings, the A and B expresses make stops in their own sections and then travel non-stop to downtown, where they make the same stops. In the afternoon, they make the return trip from downtown to their respective areas. Look for an "A" or "B" in the left column.

"Timed-Transfer Connection" — Certain evening and early morning connections, where indicated, are scheduled with a time overlap to assure that passengers can easily transfer from one line to another. For example, 43- and 44-line service is scheduled to overlap at Forest Hill Station in the evening and early morning hours.

Muni **tokens** are sold for 80¢ each in rolls of ten, twenty, and forty.

Seniors (age 65+), youths (age 5-17), and children (under age 5) may be asked for proof of age. Acceptable documents are a birth certificate, driver's license, or State of California Identification Card. The document must show the person's date of birth. For seniors, a Muni Senior Citizen Identification Card is

available — phone 626-1033 for information.

A **Regional Transit Connection Discount Card,** allowing persons to be eligible for Muni's discount fare, is available for disabled persons with a doctor's certificate, for qualified veterans, and for holders of a valid Medicare card or California Department of Motor Vehicle Placard Identification Card. A **red dot** in the center of the discount card allows an attendant to ride for the discount fare. (More than one attendant may ride for the discount fare if those persons are accompanying a group of disabled persons whose discount cards have the red dot.) For more information on the discount card program, call 923-6070. For information on accessible services, see page 5.

Proof of Payment is in effect —
On the E Embarcadero line
At the E-line Metro stations
At the M-line Metro stations at S.F. State and Stonestown

Under Proof of Payment, a person must have proof of fare payment — a valid Muni ticket, transfer, or pass — on the Muni vehicle or station platform. (There are ticket machines at the entrances of the outdoor stations on the E and M lines for those who do not have a pass or transfer.) Law enforcement officers randomly inspect Proof of Payment vehicles and station platforms to ensure that all persons have a valid proof of payment. Those who do not are subject to a fine. (There are plans to extend Proof of Payment to other Muni lines within the next few months.)

Passes — except for the weekly pass, good without extra charge on cable cars:

Fast Pass (adult monthly pass)	$35.00
Discount Pass (senior and disabled monthly pass)	$8.00
Youth Pass (youth monthly pass)	$8.00
Weekly Pass (+ $1 for cable car service)	$9.00
1-Day Pass or Passport	$6.00
3-Day Passport	$10.00
7-Day Passport	$15.00

The passes are also good for a reduced fare to ballgames at Candlestick Park and other special events. The monthly passes are good for the first three days of the month following their expiration date. Weekly passes are good Monday through Sunday. The adult monthly Fast Pass is good on BART and CalTrain within San Francisco. The 3-day and 7-day Passports are good for 3 or 7 consecutive days. The Passports are also good for discounts at visitor attractions in San Francisco, including the museums in Golden Gate Park.

Fares for Candlestick Park and Other Special-Event Service.

Adult	$5.00
Discount	$3.00
Youth	$3.00

The fare for all of the above categories is $2 with a valid Muni pass. These special-event fares are round-trip fares — there are no one-way fares. Transfers, tickets, and tokens are not valid on buses to the ballpark, but the ballpark service fare-receipt is good for transferring from ballpark service to other Muni service, excepting the cable cars, after the game.

For more information on service to Candlestick Park, see page 4.

Regional Transit Connection Passes, Tickets, and Transfers

Passes:

The following passes are honored the same as a Muni monthly pass for Muni service:

An **AC Transit** monthly pass with a Muni sticker
A half-monthly **"BART Plus"** ticket
A CalTrain monthly ticket with a **Peninsula Pass**
A **Golden Gate Transit** Commute Discount Ticket Book with a Muni sticker
A **SamTrans** monthly pass with a Muni sticker
A **Vallejo Ferry** monthly pass with a Muni sticker

These Regional Transit Connection passes are not good for free BART or CalTrain service in San Francisco (with the obvious exception that a CalTrain monthly ticket with a Peninsula Pass is good on CalTrain). These passes are good on Muni for the first three days of the month following their expiration date (with the exception of a "BART Plus" ticket for the first half of a month).

Tickets and Transfers:

Tickets for the **Alameda/Oakland Ferry** have "AC Transit", "Ferry", and "Muni" sections. The full ticket is honored as a Muni $1 adult fare. The Muni stub of the ticket is honored as a Muni $1 adult fare at stops near the Ferry Building and Pier 39, including California & Drumm and Bay & Taylor Sts. for cable car service. A full Muni transfer for bus or streetcar service will be issued on request with either the full ticket or the Muni stub. An additional $1 is necessary for cable car service.

BART-Muni Discount Tickets are two-part tickets issued at San Francisco BART stations for the Muni $1 adult fare, with the first part good for one hour and the second part good for 72 hours for Muni service. A full Muni transfer for bus or streetcar service will be issued on request with either part of the ticket. An additional $1 is necessary for cable car service. (The two-part discount tickets are free at the Daly City BART Station, but are good for service only on Muni lines 28 and 54, with no transfers issued.)

The **Golden Gate Ferry Transfer** is a two-part ticket good on the date indicated on the ticket. The "Ferry to Muni" portion is honored for service from the Ferry Building area, and the "Muni to Ferry" portion is honored for a return trip. A full Muni transfer for bus or streetcar service is issued with either portion of the ticket. The ticket is not good for cable car service.

Animals on Muni

Any number of working dogs (guide dogs, signal dogs, or service dogs) for the disabled may ride free at any time. Working dogs

for the disabled do not have to be muzzled, but must be on a leash. It is recommended that the working dog's picture be shown with its owner's in the photo on the Regional Transit Connection Discount Card.

Persons boarding with an animal that is not a working dog for the disabled must pay the same fare for the animal that they do for themselves. These animals are allowed to ride on Muni vehicles from 9 a.m. to 3 p.m. and from 7 p.m. to 5 a.m. on weekdays, and all day on Saturdays, Sundays, and holidays. Only one of these animals may ride per vehicle. Dogs must be muzzled and on a short leash or in a closed container, and other animals must be carried in closed containers.

Bicycles on Muni

Thanks to a grant from the Bay Area Air Quality Management District's Transportation Fund for Clean Air, Muni has a pilot project to test the use of bike racks on the 30-foot buses that operate on Muni's community service lines. There are racks on the front of the buses that allow two bikes to be carried on each bus.

The Bikes on Muni pilot project lines are as follows: 17 Parkmerced, 35 Eureka, 36 Teresita, 37 Corbett, 39 Coit, 53 Southern Heights, 56 Rutland, 66 Quintara, 91 Owl. Although not a part of the pilot project, there are also bike racks on the buses that serve the 76 Marin Headlands and 108 Treasure Island lines. Please note that Muni operators will allow bicyclists to take bikes on any bike-rack equipped bus, whether or not that bus is in service on the pilot project lines or the 76 or 108 lines.

For further information on the Bikes on Muni program, call Muni's Telephone Information Center at 415/673-6864. For further information on bicycling in San Francisco, call the Department of Parking and Traffic's Bicycle Hotline at 415/585-BIKE and the San Francisco Bicycle Coalition at 415/431-BIKE.

Additional Stops in the Evening

Between 8:30 p.m. and 6:30 a.m., additional passenger stops will be made either for persons waiting for a transit vehicle, or for passengers on a transit vehicle at their request, at the nearside of any street intersection located between the regular stops. However, this rule does not apply to the following streets, where stops will be made only at the regularly designated stops at all times: Market St., east of Castro St.; Van Ness Ave.; Columbus Ave.; Ocean Ave.; and the north side of Lincoln Way, from 11th Ave. to 35th Ave., and at 46th Avenue.

"Carry On" Items

Muni operators may refuse to allow articles on board that could create a nuisance or cause harm. Food in open containers or poorly protected containers (such as coffee or soft drinks in paper or Styrofoam containers, whether covered or not) may not be allowed on board.

Other large objects may be allowed on at the discretion of the operator, but aisles and doorways must be kept clear at all times. If a baby stroller is allowed on board, the child must be removed from the stroller and the stroller folded up while it is on the vehicle.

Commendations and Complaints

If you wish to make a commendation or complaint about our service, please call our Passenger Service Department at

923-6164. If your complaint or commendation is about the operation of a Muni vehicle, please get as much information as possible, including the operator's badge number, the number or letter of the Muni line, the four-digit number on the vehicle (cable car numbers have one or two digits), the location, the direction of travel, and the time of day. If you need to file a claim against Muni, please call the San Francisco City Attorney's office at 554-3900.

Reporting Crime on Muni

Did you see an incident you wish to report? Notify the operator if it is safe to do so. Otherwise, call Muni's Passenger Service Department at 923-6164 or the Muni Crime Hotline at 553-9290. Please get as much information as possible, including the number or letter of the Muni line, the four-digit number on the vehicle (cable car numbers have one or two digits), the location, the direction of travel, and the time of day.

Muni Guidelines

Safe and dependable service provided by courteous personnel is Muni's guiding principle. Please cooperate with your transit operator in every way possible. Remember that smoking, eating, drinking, littering, or playing sound equipment without earphones is not allowed on our vehicles or on our Metro station platforms.

PCC STREETCARS IN F-LINE SERVICE

PCC cars were originally designed under the direction of the Electric Railway Presidents' Conference Committee, in an attempt by 25 U.S. and Canadian transit companies to put an improved streetcar into service. The first of the quiet and economical cars was put into service in New York City in October 1936, and Muni's first PCC cars arrived in August 1948. Nos. 1007-1015 were originally built for Muni in 1948, and Nos. 1050-1063 were originally built for Philadelphia in 1946. (Note that Muni has other PCC cars that are not in regular F-line service.)

SERVICE NOTES

Weekday schedules — the following symbols refer to school-day and non-school-day service:
S - service operates only on school days.
N - service operates only on non-school days.

Sunday schedules are also operated on —

New Year's Day	Labor Day
Memorial Day	Thanksgiving Day
The 4th of July	Christmas Day

Note that the 76 Marin Headlands line runs on holidays that have Muni Sunday schedules.

Service on other holidays — Call Muni Information at 673-6864 for the Muni service on other holidays, including Martin Luther King Jr.'s Birthday, Presidents' Day, Columbus Day, and Veterans Day. Note that Muni provides regular weekday service on the day after Thanksgiving Day.

For all schedules — times in this booklet in light-face type are A.M. times, times in **bold-face type** are P.M. times.

"Limited" coaches operate on the 14, 28, 38, and 71 lines, making fewer stops and providing quicker service. Look for an "L" in the left column of the timetable.

"Express" coaches make stops in their areas of origin and then run non-stop to their destinations. Except for the 9X San Bruno Express, express services run only on weekdays, and only during morning and afternoon rush hours in the rush hour direction. Look for an "X" in the left column.

"A" and "B" Expresses — Many of the express lines are divided into "A" and "B" sections. On weekday mornings, the A and B expresses make stops in their own sections and then travel non-stop to downtown, where they make the same stops. In the afternoon, they make the return trip from downtown to their respective areas. Look for an "A" or "B" in the left column.

"Timed-Transfer Connection" — In the evening and early morning hours, some lines are scheduled with overlapping arriving and leaving times at designated transfer points, so that passengers can easily transfer from one line to another. For example, 43- and 44-line service is scheduled to overlap at Forest Hill Station in the evening and early morning hours.

FARES

Cash Fares for Regular Muni Service

Adults (age 18-64) $1.00
— or valid ticket, token, or transfer

on cable cars $2.00
— or token plus $1

Discount ..... 35¢
Seniors (age 65+) ..... — or valid ticket or transfer
or disabled persons with valid identification

on cable cars $2.00

Discount reduced cable car fare from
9 p.m. to 7 a.m. every day $1.00

Youths (age 5-17) ..... 35¢
— or valid ticket or transfer

on cable cars $2.00

Children (under age 5) ..... free

Except on the cable cars, **exact change** is necessary for cash fares. (Cable car conductors can make change for up to $20.) **Transfers** are issued free at the time the fare is paid for bus or streetcar service. They are valid for 90 minutes for two boardings in any direction. Cable car fares are one way fares — transfers are neither issued nor accepted for cable car service. Muni tokens are sold in rolls of ten for $8.

Proof of age may be requested for seniors (age 65+), youths (age 5-17), and children (under age 5). Acceptable documents are a birth certificate, driver's license, or State of California Identification Card. The document must show the person's date of birth. For seniors, a Muni Senior Citizen Identification Card is available — phone 626-1033 for information.

A **Regional Transit Connection Discount Card,** allowing persons to be eligible for Muni's discount fare, is available for disabled persons with a doctor's certification, for qualified veterans, and for holders of a valid Medicare card or California Department of Motor Vehicle Placard Identification Card. A red dot in the center of the discount card allows an attendant to ride for the discount fare. (More than one attendant may ride for the discount fare if those persons are accompanying a group of disabled persons whose discount cards have the red dot.) For more information on the discount card program, call 923-6070. For information on accessible services, see pages 4 and 5.

Proof of Payment is in effect —
- on all Metro streetcar lines – the J, K, L, M, and N lines
- within the fare gates and on the platforms at all Metro subway stations

Under Proof of Payment, a person must have proof of fare payment — a valid Muni ticket, transfer, or pass — on any Metro line or in the paid areas of the Metro subway stations.

Riders with a valid Muni ticket, transfer, or pass may board at any door of a Metro car. Riders paying a cash fare or a token outside the subway must board at the first door of a single car or a multiple-car train to pay their fare at the fare box and receive a transfer from the operator as their proof of payment.

Muni Fare Inspectors randomly inspect Proof of Payment vehicles and all Metro subway stations to ensure that transit riders have a valid proof of payment. Those who do not are subject to a fine of up to $250.

The Passports are also good for discounts at visitor attractions in San Francisco, including the museums in Golden Gate Park.

The fare for all of the above categories is $2 with a valid Muni pass. These special-event fares are round-trip fares — there are no one-way fares. Note that regular Muni fares are charged for service to Pac Bell Park at 2nd & King Streets. Round-trip tickets are available for Muni service to Pac Bell Park on baseball game days for riders' convenience.

For more information on service to 3Com Park, see page 4.

Regional Transit Connection Passes and Tickets

Regional Passes:

The following passes are honored the same as a Muni monthly pass for Muni service:

An **AC Transit** monthly pass with a Muni sticker
A half-monthly "**BART Plus**" ticket
A **Caltrain** monthly ticket with a **Peninsula Pass**
A **Golden Gate Transit** Commute Discount Ticket Book with a Muni sticker
A **SamTrans** monthly pass with a Muni sticker
A **Vallejo Ferry** monthly pass with a Muni sticker

These Regional Transit Connection passes are not good for free BART or Caltrain service in San Francisco (with the obvious exception that a Caltrain monthly ticket with a Peninsula Pass is good on Caltrain). These passes are good on Muni for the first three days of the month following their expiration date (with the exception of a "BART Plus" ticket for the first half of a month).

Continued From Previous Page

Regional Tickets:

The Muni stub of the **Alameda/Oakland Ferry Ticket** is good for two hours for Muni service at stops near the Ferry Building and Pier 41, including California & Drumm and Bay & Taylor Sts. for cable car service. The Muni stub is good for 24-hours for service to the ferry terminals if the rider has a valid ferry ticket. A full Muni transfer for bus or streetcar service will be issued for the Muni stub, either coming from or going to the ferry terminals. An additional $1 is necessary for cable car service.

BART-Muni Discount Tickets are two-part tickets issued at San Francisco BART stations for the Muni adult fare, with the first part good for one hour and the second part good for 72 hours for Muni service. A full Muni transfer for bus or streetcar service will be issued for either part of the ticket. An additional $1 is necessary for cable car service. (The two-part discount tickets are free at the Daly City BART Station, but are good for service only on Muni lines 28 and 54, with no transfers issued.)

The **Golden Gate Ferry Transfer** and the **Harbor Bay Ferry Ticket** are two-part tickets, with the "Ferry to Muni" part good for two hours for Muni service from the Ferry Building area, and the "Muni to Ferry" part good for 24 hours for a return trip. A full Muni transfer for bus or streetcar service is issued for either part of the ticket. An additional $1 is necessary for cable car service.

Animals on Muni

Any number of working dogs (guide dogs, signal dogs, or service dogs) for the disabled may ride free at any time. Working dogs for the disabled do not have to be muzzled, but must be on a leash. It is recommended that the working dog's picture be shown with its owner's in the photo on the Regional Transit Connection Discount Card.

Persons boarding with an animal that is not a working dog for the disabled must pay the same fare for the animal that they do for themselves. These animals are allowed to ride on Muni vehicles from 9 a.m. to 3 p.m. and from 7 p.m. to 5 a.m. on weekdays, and all day on Saturdays, Sundays, and holidays. Only one of these animals may ride per vehicle. Dogs must be muzzled and on a short leash or in a closed container, and other animals must be carried in closed containers.

Bicycles on Muni

Bikes on Muni are allowed on the following lines: 17 Parkmerced, 35 Eureka, 36 Teresita, 37 Corbett, 39 Coit, 53 Southern Heights, 56 Rutland, 66 Quintara, 76 Marin Headlands, 91 Owl, and 108 Treasure Island. There are racks on the front of the buses that allow two bikes to be carried on each bus. Note that Muni operators will allow bicyclists to take bikes on any bike-rack equipped bus, whether or not that bus is in service on one of the designated lines.

More Muni lines will be designated for the Bikes on Muni program as Muni acquires more bike-rack equipped buses. For further information on bicycling in San Francisco, call the Department of Parking and Traffic's Bicycle Information number at 415/585-BIKE and the San Francisco Bicycle Coalition at 415/431-BIKE.

Additional Stops in the Evening

Between 8:30 p.m. and 6:30 a.m., additional passenger stops will be made either for persons waiting for a transit vehicle, or for passengers on a transit vehicle at their request, at the nearside of any street intersection located between the regular stops. However, this rule does not apply to the following streets, where stops will be made only at the regularly designated stops at all times: Market St., east of Castro St.; Van Ness Ave.; Columbus Ave.; Ocean Ave.; and the north side of Lincoln Way, from 11th Ave. to 35th Ave., and at 46th Avenue.

"Carry On" Items

Muni operators may refuse to allow articles on board that could create a nuisance or cause harm. Food in open containers or poorly protected containers (such as coffee or soft drinks in paper or Styrofoam containers, whether covered or not) may not be allowed on board.

Other large objects may be allowed on at the discretion of the operator, but aisles and doorways must be kept clear at all times. (Bicycles are only allowed on the racks on bike-rack equipped buses.) If a baby stroller is allowed on board, the child must be removed from the stroller and the stroller folded up while it is on the vehicle.

Commendations and Complaints

If you wish to make a commendation or complaint about our service, please call our Passenger Service Department at 923-6164. If your complaint or commendation is about the operation of a Muni vehicle, please get as much information as possible, including the operator's badge number, the number or letter of the Muni line, the four-digit number on the vehicle (cable car numbers have one or two digits), the location, the direction of travel, and the time of day. If you need to file a claim against Muni, please call the San Francisco City Attorney's office at 554-3900.

Reporting Crime on Muni

Did you see an incident you wish to report? Notify the operator if it is safe to do so. Otherwise, call Muni's Passenger Service Department at 923-6164 or the SFPD Transit Police number at 671-3181. Please get as much information as possible, including the number or letter of the Muni line, the four-digit number on the vehicle (cable car numbers have one or two digits), the location, the direction of travel, and the time of day.

Muni Guidelines

Safe and dependable service provided by courteous personnel is Muni's guiding principle. Please cooperate with your transit operator in every way possible. Remember that smoking, eating, drinking, or playing sound equipment (without earphones) is not allowed on our vehicles or at our Metro stations under section 128 of the Municipal Traffic Code, and littering is not allowed under section 6 of the Municipal Police Code. Please also note that under Muni regulations, passengers are not allowed to put their feet on the seats and children are not allowed to stand on the seats.

SERVICE CHANGES

Shuttle bus service is continuing to operate on the K Ingleside line between West Portal Station and the Balboa Park BART Station because of the Ocean Avenue Reconstruction and Improvement Project. Full K-line service is expected to resume in the spring of 2003.

Streetcars on the L Taraval line are only operating between the Embarcadero Station and Sunset Blvd. because of track work on the Zoo Loop (the L-line track between Taraval & 46th Ave. and the end of the line), with shuttle buses providing the service between Sunset Blvd. and the end of the line. Full L-line service is expected to resume in February 2003.

This December 28th will mark the 90th anniversary of Muni service. On December 28, 1912, Muni's A streetcar line began operating from Kearny & Market, on Geary and 10th Ave. to Fulton St. at Golden Gate Park, with the B line providing shuttle service on Geary from 10th to 33rd Aves.

SERVICE NOTES

Weekday schedules — the following symbols refer to school-day and non-school-day service:

S - service operates only on school days.
N - service operates only on non-school days.

Sunday schedules are also operated on —

New Year's Day
Memorial Day
The 4th of July
Labor Day
Thanksgiving Day
Christmas Day

Note that the 76 Marin Headlands line runs on holidays that have Muni Sunday schedules.

Service on other holidays — Call Muni Information at 673-6864 for the Muni service on other holidays, including Martin Luther King →

Jr.'s Birthday, Presidents' Day, Columbus Day, and Veterans Day. Note that Muni provides regular weekday service on the day after Thanksgiving Day.

For all schedules — times in this booklet in light-face type are A.M. times, times in **bold-face type** are P.M. times.

"Limited" coaches operate on the 14, 28, 38, and 71 lines, making fewer stops and providing quicker service. Look for an "L" in the left column of the timetable.

"Express" coaches make stops in their areas of origin and then run non-stop to their destinations. Except for the 9X San Bruno Express, express services run only on weekdays, and only during morning and afternoon rush hours in the rush hour direction.

"A" and "B" Expresses — Many of the express lines are divided into "A" and "B" sections. On weekday mornings, the A and B expresses make stops in their own sections and then travel non-stop to downtown, where they make the same stops. In the afternoon, they make the return trip from downtown to their respective areas.

"Timed-Transfer Connection" — In the evening and early morning hours, some lines are scheduled with overlapping arriving and leaving times at designated transfer points, so that passengers can easily transfer from one line to another. For example, 43- and 44-line service is scheduled to overlap at Forest Hill Station in the early morning and evening hours.

They are valid for 90 minutes to two hours in any direction. Cable car fares are one way fares — transfers are neither issued nor accepted for cable car service. Muni tokens are sold in rolls of ten for $8.

Proof of age may be requested for seniors (age 65+), youths (age 5-17), and children (under age 5). Acceptable documents are a birth certificate, driver's license, or State of California Identification Card. The document must show the person's date of birth. For seniors, a Muni Senior Citizen Identification Card is available — phone 626-1033 for information.

A **Regional Transit Connection (RTC) Discount Card,** allowing persons to be eligible for Muni's discount fare, is available for disabled persons with a doctor's certification, for qualified veterans, for holders of a valid Medicare card, and for holders of a California Department of Motor Vehicles Placard or valid placard registration. The attendant symbol on the discount card allows an attendant to ride for the discount cash fare. (More than one attendant may ride for the discount cash fare if those persons are accompanying a group of disabled persons whose discount cards have the attendant symbol.) For more information on the discount card program, call 923-6070. For information on accessible services, see page 5.

Proof of Payment is in effect —

- on all Metro streetcar lines - the J, K, L, M, and N lines
- within the fare gates and on the platforms at all Metro subway stations

Under Proof of Payment, a person must have proof of fare payment — a valid Muni ticket, transfer, or pass — on any Metro line or in the paid areas of the Metro subway stations.

Riders with a valid Muni ticket, transfer, or pass may board at any door of a Metro car. Riders paying a cash fare or a token outside the subway must board at the first door of a single car or multiple-car train to pay their fare at the fare box and receive a transfer from the operator as their proof of payment.

Muni fare inspectors randomly inspect Proof of Payment vehicles and all Metro subway stations to ensure that transit riders have a valid proof of payment. Those who do not are subject to a fine of up to $250.

Passes — except for the weekly pass, good without extra charge on cable cars:

Fast Pass (adult monthly pass)	$35.00
Senior Pass (senior monthly pass)	$8.00
Monthly fare sticker for valid RTC Discount Card	$8.00
Youth Pass (youth monthly pass)	$8.00
Weekly Pass (+ $1 for cable car service)	$9.00
1-Day Pass or Passport	$6.00
3-Day Passport	$10.00
7-Day Passport	$15.00

The monthly passes are good for the first three days of the month following their expiration date. The monthly passes are also good for a reduced fare to ballgames at Candlestick Park and other special events. (Regular fares are charged for service to Pac Bell Park.) Weekly passes are good Monday through Sunday. The adult monthly Fast Pass is good on BART and Caltrain within San Francisco, although the three-day grace period for the next month does not apply for those services. The 3-day and 7-day Passports are good for 3 or 7 consecutive days.

CityPasses have a book of tickets for admission to five visitor attractions in San Francisco and are good as a 7-day pass on Muni. For more information, call the SF Convention & Visitors Bureau at 391-2000.

Pass Replacement. No refunds are made for damaged or lost Muni passes. Replacements are made only for recognizable, currently valid passes.

If an adult Fast Pass will not work in the BART fare gates because of demagnetization or other damage, the BART station agent will stamp the back of the pass, allowing a three-day grace period until the pass is replaced. During those three days, you may enter and leave the BART stations in San Francisco by showing the pass to a station agent.

Muni passes may be exchanged at the cable car ticket booth at Powell & Market, as well as at the transit stores in the Embarcadero, Montgomery St., Powell St., and Civic Center BART/Metro stations. For more locations where Muni passes may be exchanged, call Muni's Revenue Department at 923-6050. For questions or comments about using your Fast Pass on BART, call Muni's Revenue Department, or call BART's customer service department at 415/989-2278.

Fares for Candlestick Park and Other Special-Event Service

Adult	$5.00
Discount	$3.00
Youth	$3.00

The fare for all of the above categories is $2 with a valid Muni monthly pass. These special-event fares are round-trip fares — there are no one-way fares. Transfers, tickets, and tokens are not valid for special event service. Note, however, that the fare-receipt for Candlestick Park service is good for transferring from ballpark service to other Muni service, excepting the cable cars, after the game.

Note that regular Muni fares are changed for service to Pac Bell Park at 2nd & King Streets. Round-trip tickets are available for Muni service to Pac Bell Park on baseball game days for riders' convenience.

For more information on service to Candlestick Park, see page 5.

A **Caltrain** monthly ticket with a **Peninsula Pass**
A **Golden Gate Transit** Commute Discount Ticket Book with a Muni sticker

These passes are good on Muni for the first three days of the month following their expiration date (with the exception of a "BART Plus" ticket for the first half of a month).

Regional Tickets and Transfers:

The Muni stub of the **Alameda/Oakland Ferry Ticket** is good for two hours for Muni service at stops near the Ferry Building and Pier 41, including California & Drumm and Bay & Taylor Sts. for cable car service. The Muni stub is good for 24-hours for service to the ferry terminals if the rider has a valid ferry ticket. A full Muni transfer for bus or streetcar service will be issued for the Muni stub, either coming from or going to the ferry terminals. An additional $1 is necessary for cable car service.

BART-Muni Discount Tickets are two-part tickets issued at San Francisco BART stations for the Muni adult fare, with the first part good for one hour and the second part good for 72 hours for Muni service. A full Muni transfer for bus or streetcar service will be issued for either part of the ticket. An additional $1 is necessary for cable car service. (The two-part discount tickets are free at the Daly

City BART Station, but are good for service only on Muni lines 28 and 54, with no transfers issued.)

The **Golden Gate Ferry Transfer** and the **Harbor Bay Ferry Ticket** are two-part tickets, with the "Ferry to Muni" part good for two hours for Muni service from the Ferry Building area, and the "Muni to Ferry" part good for 24 hours for a return trip. A full Muni transfer for bus or streetcar service is issued for either part of the ticket. An additional $1 is necessary for cable car service.

SamTrans Route 34 - Muni adult Fast Passes or transfers are accepted as SamTrans local fare credits at the 34-line bus stops in San Francisco.

Animals on Muni

Any number of working dogs (guide dogs, signal dogs, or service dogs) for the disabled may ride free at any time. Working dogs for the disabled do not have to be muzzled, but must be on a leash.

Persons boarding with an animal that is not a working dog for the disabled must pay the same fare for the animal that they do for themselves. These animals are allowed to ride on Muni vehicles from 9 a.m. to 3 p.m. and from 7 p.m. to 5 a.m. on weekdays, and all day on Saturdays, Sundays, and holidays. Only one of these animals may ride per vehicle. Dogs must be muzzled and on a short leash or in a closed container, and other animals must be carried in closed containers.

Bicycles on Muni

The following lines have been designated for the Bikes on Muni program: 17 Parkmerced, 35 Eureka, 36 Teresita, 37 Corbett, 39 Coit, 53 Southern Heights, 56 Rutland, 66 Quintara, 76 Marin Headlands,

91 Owl, and 108 Treasure Island. There are racks on the front of the buses that allow two bikes to be carried on each bus. Note that Muni operators will allow bicyclists to take bikes on any bike-rack equipped bus, whether or not that bus is in service on one of the designated lines. All the buses now being acquired by Muni will have bike racks. Bicycles are not allowed on streetcars or cable cars.

For further information on bicycling in San Francisco, call the Department of Parking and Traffic's Bicycle Information number at 585-BIKE and the San Francisco Bicycle Coalition at 431-BIKE.

Additional Stops in the Evening

Between 8:30 p.m. and 6:30 a.m., additional passenger stops will be made either for persons waiting for a transit vehicle, or for passengers on a transit vehicle at their request, at the nearside of any street intersection located between the regular stops. However, this rule does not apply to the following streets, where stops will be made only at the regularly designated stops at all times: Market St., east of Castro St.; Van Ness Ave.; Columbus Ave.; Ocean Ave.; and the north side of Lincoln Way, from 11th Ave. to 35th Ave., and at 46th Avenue.

"Carry On" Items

Muni operators may refuse to allow articles on board that could create a nuisance or cause harm. Food in open containers or poorly protected containers (such as coffee or soft drinks in paper or Styrofoam containers, whether covered or not) may not be allowed on board.

Other large objects may be allowed on at the discretion of the operator, but aisles and doorways must be kept clear at all times. (Bicycles are only allowed on the racks on bike-rack equipped buses.) If a baby stroller is allowed on board, the child must be removed from the stroller and the stroller folded up while it is on the vehicle.
